20th March 2018

Dear Parents /Caregivers,

Thank you for your support for Mufti day last week for the P.T.A fund raising for shade sails. As a result of your kind donation we raised \$619.70.

### STOP WORK MEETING

The NZEI (teacher's union) have called all members on the Hibiscus Coast to a meeting tomorrow, Wednesday 21st March. The teachers will be attending a meeting at 1.30pm. Two classes have booked to go to Tree Adventures and their trip will continue, and four teachers are booked on a course on this day. We have 9 teachers to supervise the children who cannot go home early. Schools are not allowed to close, but to help this difficult situation we are asking parents, who can, to collect their children at 1pm.

Arrangements for Wednesday

1. Please let your child's teacher know if your child can go home early.
2. Children can stay at school for lunch.
3. A bell will ring at 1.50pm, at this stage the crossing will be supervised.
4. Parents can collect their children anytime from 12.30.
5. Children who are going home early will be asked to play on the court outside rooms 5 & 6.
6. At 1.25pm all children have been asked to go to the auditorium where we will arrange activities for the children who are staying at school.
7. If you cannot find your child please go to the auditorium and then the office.
8. Children will collect their bags at the end of the day before going home.
9. The crossing will be supervised at the end of the day.

It is VERY IMPORTANT every teacher has a list of the children who have permission to leave school early. Please use Class Dojo to let the teachers know. Thank you.

### EASTER HOLIDAYS

All schools have an extra day's holiday at Easter. Schools will be closed Good Friday, Easter Monday and Easter Tuesday. The Ministry of Education set the number of days schools have to open, so having an extra day at Easter means schools have to work another day to compensate for this holiday. To help parents who work, Kelly Club will be running a holiday programme Easter Tuesday 3rd April. To find out more about this day and to book, please go to their website,

[www.kellyclub.co.nz/stanmorebay](http://www.kellyclub.co.nz/stanmorebay)

### WEETBIX TRYATHLON MANLY PARK SUNDAY 25TH MARCH

Good luck to our Stanmore Bay athletes who are competing in this exciting event starting at 9am.

We are looking for a couple of parents to collect the tent from school this week and set it up on Saturday afternoon/evening. This will be our meeting area and shelter in case there are showers. I have the Stanmore Bay School flag to place at the front for easy identification.

Looking forward to supporting our children and hoping that our community will also cheer them on. Denise Ball.

### SWIMMING SPORTS

#### Korimako Yr 3 & 4

The middle school swimming sports will be held on Friday the 23rd March at 9am.

### INTERSCHOOL SWIMMING SPORTS

Inter school swimming sports are being held on Thursday 22nd March at Northern Arena. Please come and support the school.

## KINDO

Kindo is our preferred option for all payments to the school. Once set up you will see how easy this programme is to use. Follow the prompts as instructed on the attached flyer. Please check that your child's room number is correct on Kindo. This is important as we send the items down to the class that is stated on the printout. You can double check if this is correct under "my details" at the top of the page. **If you had an account in 2017 please remember to change your child's class number for 2018. Thank you.**

## GENESIS—VOTE FOR OUR SCHOOL

Hi everyone, please take the time to vote for our school. It is very simple to do. Just follow the link and we could win money to help with our science/technology programmes. Share with everyone that you know and let's see if we can be one of the winners!!

## LUCKY BOOK ORDERS

Issue 2 is out now and orders close on the 30th March 2018. Orders need to be placed in the box in the office or you can order via LOOP with this link <http://www.scholastic.co.nz/parents/lucky-book-club/> Please note that all credit card payments now need to be ordered via LOOP.

## P.A.T RESULTS

We are busy doing catch ups for the children who were away from school on the day of the test, and also retesting children at a higher level if they scored a stanine 8 or 9. Ms Runga is delighted with the number of re tests she has had to organize. More information will be given when the children have finished being tested at a higher level.

## SWIMMING POOL

Congratulations to the junior school for an amazing triathlon, and to the parents who came and supported the children.

Unfortunately the teachers tell me this is the second time dog faeces has been on the grass where the children and parents sit. Dogs are not allowed on the school grounds during school time and dogs are definitely not allowed in the school pool area. This area is monitored by cameras and our property manager can check how a dog or dogs got into the pool surrounds.

## STRONGER TOGETHER

You may be aware of the nationwide crisis in recruiting and retaining teachers.

Children need teachers with enough time to teach so they can give each child the attention they deserve, and children need talented and inspiring people to be attracted to teaching.

Children are missing out on some opportunities to learn because teachers are bogged down in administration or are struggling to get enough support for children with additional learning needs.

Teachers at our school are joining an NZEI Te Riu Roa campaign, called *Kua Tae Te Wā – It's Time* to address these issues.

Our goal is to free teachers to teach, and principals to lead, by getting the additional support and staff that schools need. And we'll attract more people to teaching by respecting and paying them as the professionals they are.

NZEI Te Riu Roa members at our school have been invited to paid union meetings in March so that we can plan and discuss the campaign and their upcoming collective agreement negotiations.

The meeting schedule has been planned so that teachers and principals across the country can work out the best meetings for them to attend, including the option of groups of teachers attending meetings at different times. This is to help reduce disruption to teaching programmes, children and parents.

Our children deserve the best education in the world, and New Zealand can afford to provide it. It's just a matter of priorities.

Thanks for your co-operation in this important matter.
